**Terms and Conditions**

1. IPEN Certified Specialists provide placenta services including placenta encapsulation, raw placenta smoothies, placenta essences, placenta tinctures, placenta prints and the arrangement of homeopathic placenta remedies.
2. IPEN Certified Specialists have been trained and certified by IPEN, The Independent Placenta Encapsulation Network, to provide placenta encapsulation services to the public. IPEN does not insure Placenta Specialists and the Client's relationship is solely with the Specialist and not with IPEN.
3. The TCM process of encapsulation used by IPEN Certified Specialists is based on Traditional Chinese Medicine.
4. Placenta encapsulation itself is experimental in nature and whilst the benefits of consuming the placenta post-birth are based on research studies, articles and testimonials from new mothers this research is ongoing and IPEN does not give any warranty or representation that these benefits are guaranteed.
5. Clients who choose to utilize these services take full responsibility of their own health and for researching and using the remedies provided in this service.
6. The Client agrees that IPEN or IPEN Certified Specialists are not liable and do not take responsibility for any results or effects the Client may experience before, during or after consuming the placenta unless resulting directly from the negligence of the Specialist.
7. IPEN recommends placenta capsules are for the Client's own use only.
8. IPEN Certified Specialists will not perform placenta encapsulations for Clients who have ever tested positive for HIV/AIDs, Hepatitis B and/or Hepatitis C.
9. All methods of decontamination and sterilization of equipment used by IPEN Certified Specialists are practiced to Government guidelines and regulations.
10. IPEN Certified Specialists take pride in using natural techniques when preparing the placenta, however certain hospital grade chemical disinfectants must be used to decontaminate and sterilise equipment before and after each Client. Placenta Smoothie blenders are 'one use' only and are disposed of after each Client.
11. Your IPEN Certified Specialist aims to prepare the placenta within 5 days after the birth. However we will not be held accountable should circumstance arise where the placenta encapsulation cannot be completed until an agreed date and time. Please see documents '**IPEN Placenta Encapsulation Information Guide for Expectant Mothers'** and '**Appropriate Placenta Care**' for guidelines for handling of your placenta.
12. IPEN Placenta Specialists do not take responsibility for damaged or lost placentas before the placenta comes into our care.
13. The Client will be liable for damaged property and/or equipment belonging to us should any equipment become broken and/or damaged whilst in the Client's care. (For example our food dehydrator may be left overnight in the Client's home during a Home Visit.)
14. The Client consents to the removal of the placenta from the hospital (or home) by the Specialist to the extent necessary for the performance by the Specialist of the placenta services.

**Full payment by cash or direct deposit is due before collection of the placenta and when booking form is returned to secure your spot. If you mishandle the placenta, lose the placenta, change your mind, or do not contact me within 48hrs after the birth to start the encapsulation process 50% of the original fee is retained the other 50% will be refunded. If the placenta is sent to pathology for any reason 20% of fee will be retained for being on call. To secure your spot please make payment via Bank transfer into this account Be Birth : BSB 062207 ACC 10323984**
